Our Mission

To impact the lives of young people by providing educational programs that build character and instill life-enhancing values through the game of golf.

Welcome Parents!

We can't wait to meet
you and your family
and hope your kids
grow up with us!

Our work at First Tee is not about improving your golf score... it's about strengthening what you bring to everything you do, including golf.

At First Tee, we guide kids and teens to show up stronger in everything that they do.

We help kids discover what's inside of them, guide them to strengthen it, and mentor them to put into action everything they do.

Benefits of First Tee – GCNKY

them through a lifetime of new
challenges.

Program Levels

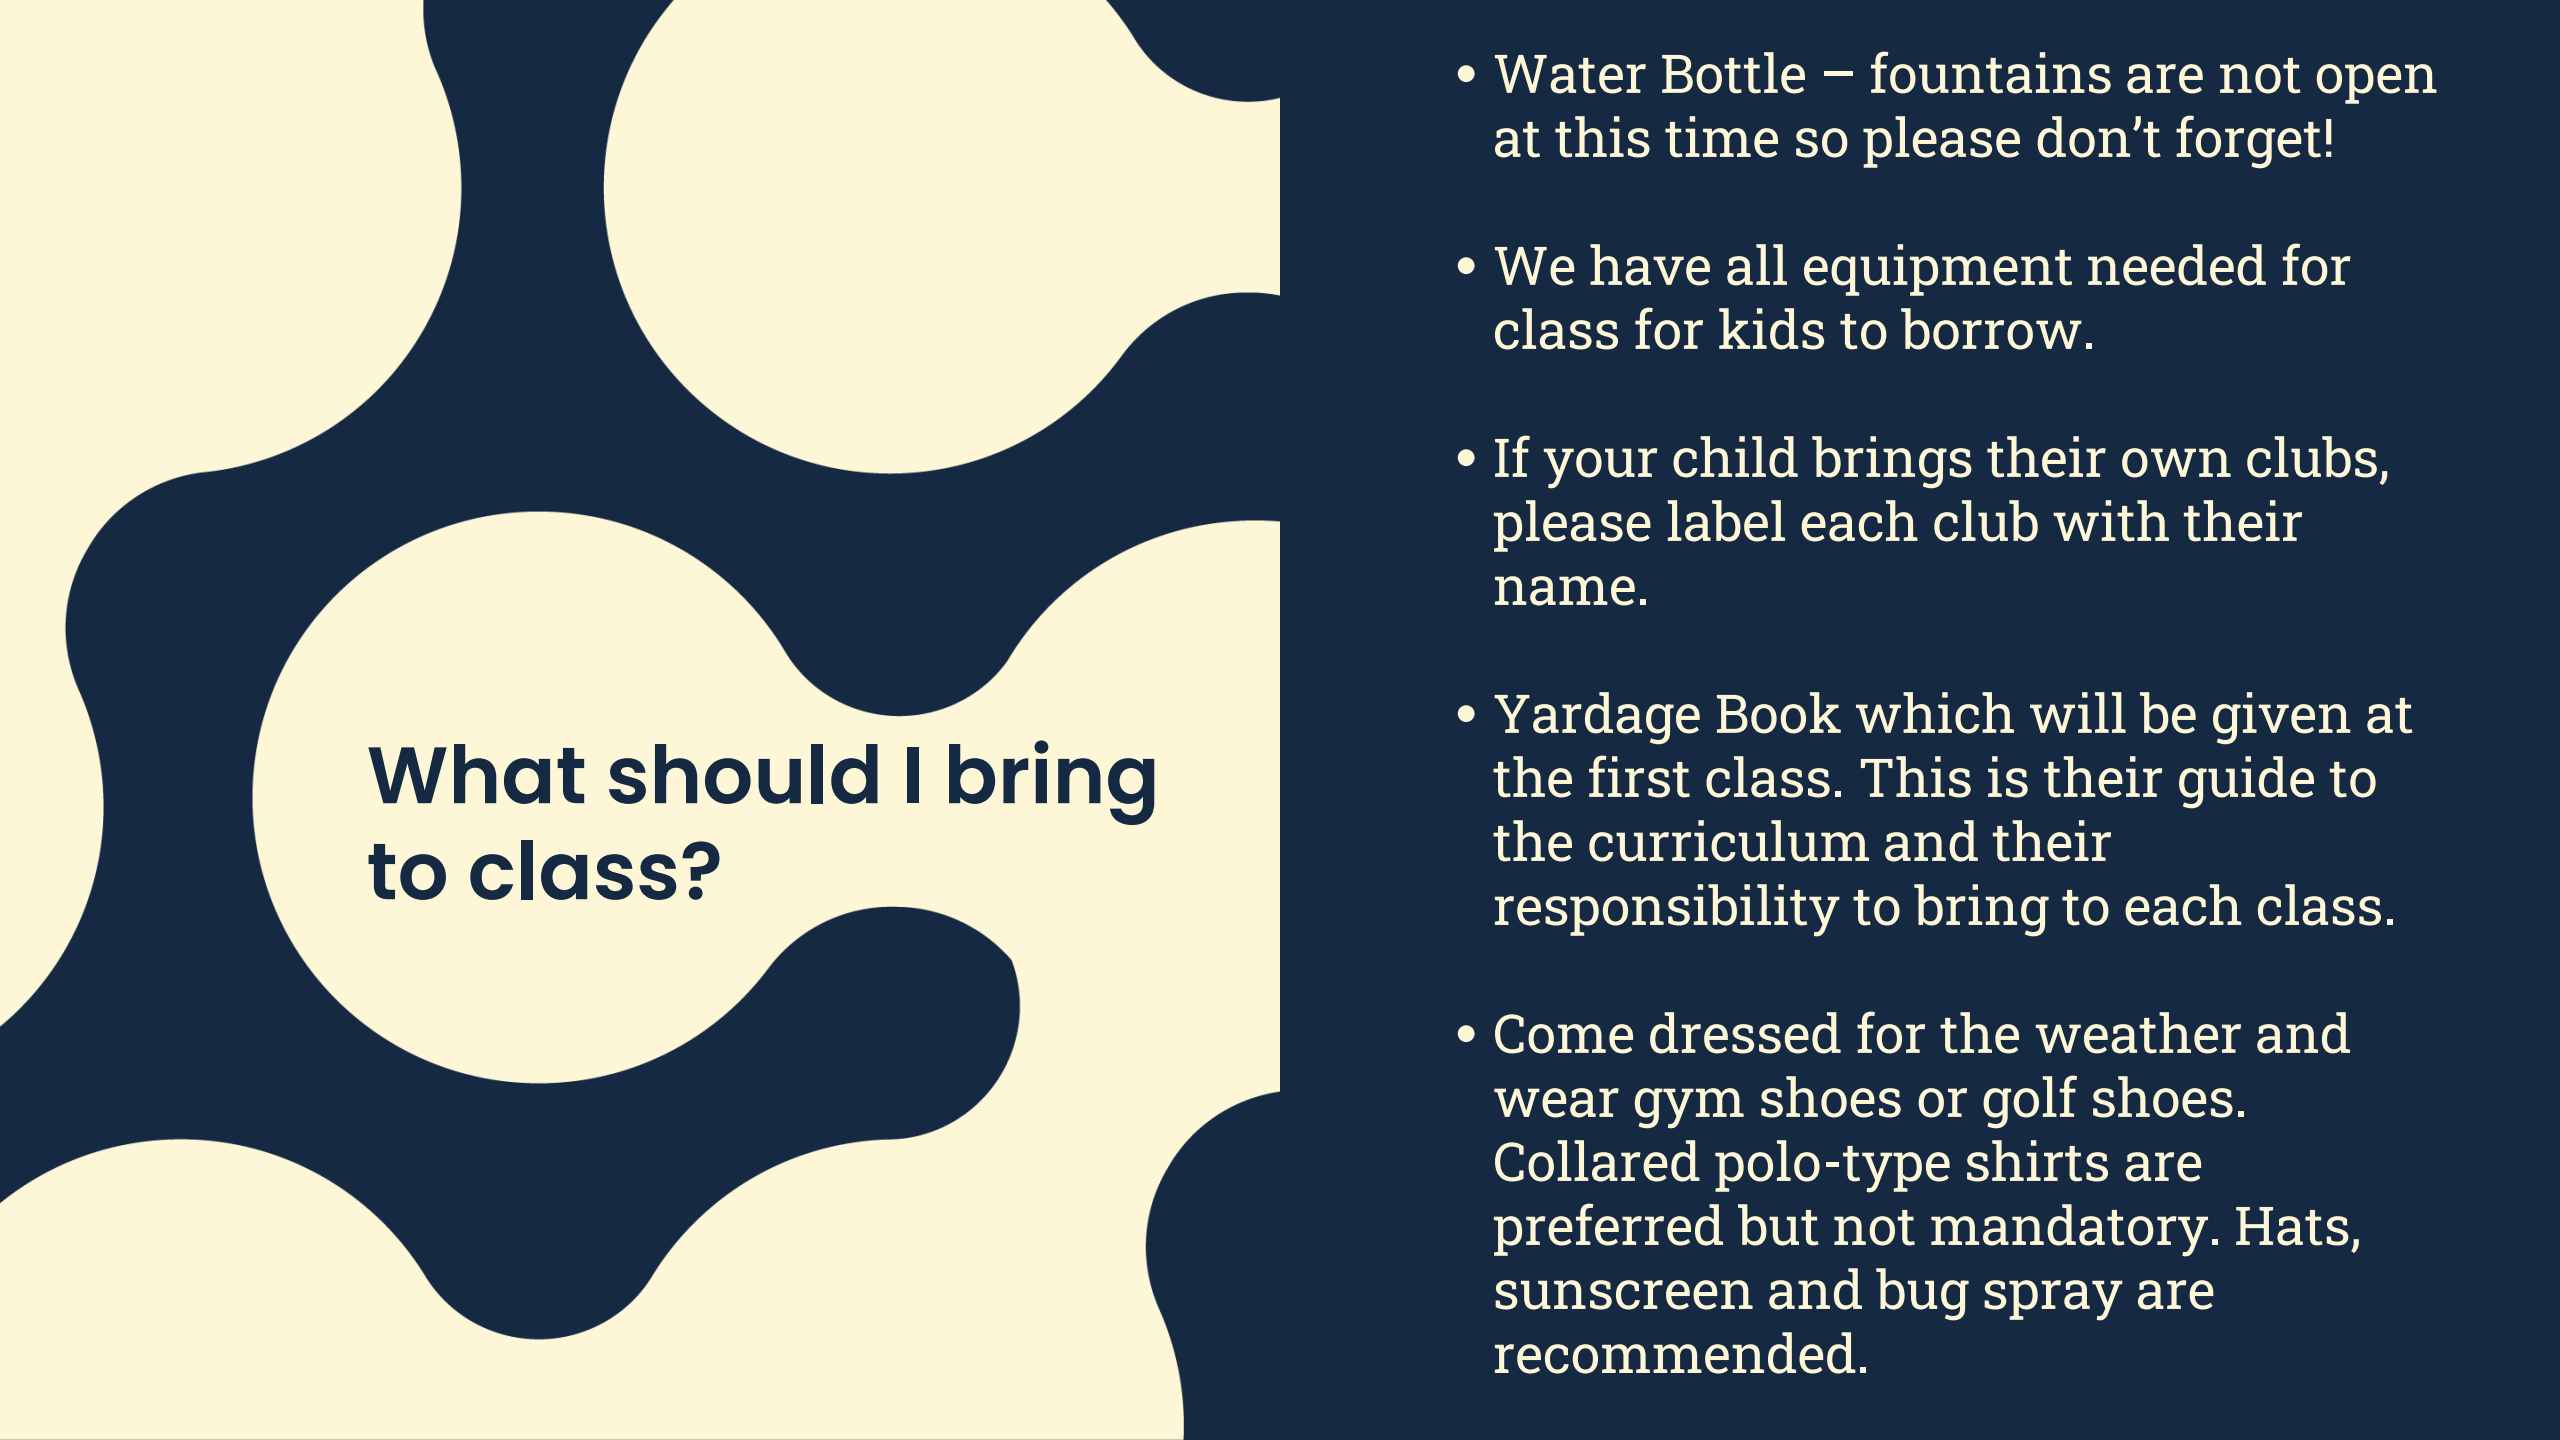

*Kids 7 and older who are new to First Tee start at the PLAYer level

How do kids advance through the program?

- Kids will spend numerous sessions at the same level!
- Our curriculum covers golf skills, life skills, rules and etiquette and can not be taught in one session so we switch up activities each session so when kids come back to the same level, it doesn't feel like a repeat.
- Kids progress through levels by meeting age and class hour minimums and demonstrating character and the life and golf skills they have learned at each level.
- When eligible:
 - Coach will reach out during the session to discuss what is required and what to expect
 - Kids will take a series of assessments, both written and on the course.
 - Playing a round of golf is required to advance at each level. Length and score depend on the level.

What should I bring to class?

- Water Bottle – fountains are not open at this time so please don't forget!
- We have all equipment needed for class for kids to borrow.
- If your child brings their own clubs, please label each club with their name.
- Yardage Book which will be given at the first class. This is their guide to the curriculum and their responsibility to bring to each class.
- Come dressed for the weather and wear gym shoes or golf shoes. Collared polo-type shirts are preferred but not mandatory. Hats, sunscreen and bug spray are recommended.

It's raining!

Classes maybe cancelled due to unsafe weather conditions.

- You will receive a text at least one hour prior to class time. If you have further questions, please email your coach.
- If two or more classes are cancelled, we will hold one make up class at the end of the session.
- There are no refunds for cancelled classes.

Safety Protocols

- Temp checks and hand sanitizer at arrival
- Facemasks are encouraged and mandatory for coaches and volunteers
- Social distancing will be observed
- Students are assigned to groups that stay the same for the duration of the class.

Participant

Grow Up With Us Like Coach Laine Did!

Coach Laine started at age 7 as a participant and has never left. After graduating from high school as an ACE participant, he became a Head Coach while attending college at NKU. He has since graduated from NKU and continues to coach with us after work! Thank you Coach!

Alumni

Coach

We hope all of our kids feel at home when at our classes and events. And that they grow up with us, surrounded by mentors, new friends and their soon to be biggest fans!

"First Tee - Greater Cincinnati & Northern Kentucky was, is, and always will be home."
