## Corporate Partnership Program 2022

# Who We Are

We believe every kid deserves the chance to build inner strength before the world demands it, to find the joy that comes with feeling confident in their own skin, and to access experiences and spaces where personal growth happens. By seamlessly integrating the game of golf with a life skills curriculum, we create learning experiences that build inner strength, self-confidence, and resilience that kids carry to everything they do.

Our chapter, an independent non-profit, has been serving children ages 5-18 residing in Hamilton, Clermont, Butler, Warren, Boone, Kenton and Campbell counties since 2006. With the belief that all kids deserve the chance to grow in a supportive environment with mentors guiding them, we are dedicated to building programs that are accessible, welcoming, and as impactful as they are fun.

## First Tee Participant Outcomes

**87% of Kids Have an Improved Sense of Empowerment**

**85% of Kids Take Personal Ownership of Core Values**

**81% of Kids Have Made Demonstrable Self Improvement**

**"First Tee was like my second home. When you're surrounded by caring, kind, and loving people, it's hard to not want to keep coming back. Teenage years are some of the hardest, and that was certainly the case for me as well. My teenage years were some of my roughest years to date, both in school and at home. First Tee granted me a safe space to just be me, and that was the motivation I needed to keep coming back."**

# Corporate Partnerships

Kids become a better version of themselves when they have the space to be who they are, surrounded by passionate people who guide them to see what they are capable of. We provide our coaches with tools and training to help kids feel safe, included and empowered on the golf course, in the classroom and beyond. These positive relationships and programs facilitate growth and inspire personal transformation.

Through our partnership opportunities, we seek to develop a relationship that meets your company's individual needs and objectives. Sponsorship of our Chapter aligns you with an established, national brand of consistently proven outcomes while simultaneously reaching children in our community. In addition to brand exposure, we offer opportunities for your staff to volunteer in various capacities. We are committed to learning your needs and providing value to your investment.

# Our Reason Why

## Rumpke Waste & Recycling

"For nearly a century, the Rumpke Family has operated one of the nation's largest waste and recycling companies providing residential and commercial trash and recycling services to Ohio, Kentucky, Indiana and West Virginia. Keeping your hometown clean is our job and innovation to preserve the planet is our mission.

Rumpke also believes in being part of the communities we service through collaborations with organizations that share our values and truly make a positive difference. By partnering with First Tee, Rumpke is helping impact the lives of young people through the organization's primary mission which is to provide character-building educational programs, to instill life-enhancing values like honesty, integrity, and humility, and to promote healthy choices to live by – all through the game of golf. In other words, to help create "game-changers" in our young people who will hopefully carry those values throughout their lives. Rumpke Waste & Recycling is proud to stand alongside First Tee of Greater Cincinnati and Northern Kentucky and all their supporters, as together we tee up tomorrow's leaders for success."
