ABOUT THE BIG "O" CLASSIC

Founded by Owen Mockabee in 2013, The Big "O" Classic is a golf scramble that will benefit First Tee Greater Cincinnati & Northern Kentucky's expansion into Butler & Warren County. For the past eleven years, Owen has participated in the First Tee program and has learned many lessons about life on and off the course. Sparked by his passion for the game of golf and his appreciation of the program, Owen has been motivated to fuse the two into this event.
