# Our Mission

To impact the lives of young people by providing educational programs that build character and instill life-enhancing values through the game of golf.

# Welcome Parents!

We can't wait to meet  
you and your family  
and hope your kids  
grow up with us!

Our work at First Tee is not about improving your golf score... it's about strengthening what you bring to everything you do, including golf.

**At First Tee, we guide kids and teens to show up stronger in everything that they do.**

We help kids discover what's inside of them, guide them to strengthen it, and mentor them to put into action everything they do.
