

# Corporate Partnership Program 2023

# Who We Are

We build experiences that build character. We exist to enable kids to build the strength of character that empowers them through a lifetime of new challenges. By seamlessly integrating the game of golf with life skills curriculum, we create learning experiences that build inner strength, self-confidence, and resilience that kids carry to everything they do.

Our chapter, an independent non-profit, has been serving children ages 5-18 residing in Hamilton, Clermont, Boone, Kenton and Campbell counties since 2006 and expanded into Butler and Warren Counties in 2021. With the belief that all kids deserve the chance to grow in a supportive environment with mentors guiding them, we are dedicated to building programs that are accessible, welcoming, and as impactful as they are fun.

## First Tee Participant Outcomes

**87% of Kids Have an Improved Sense of Empowerment**

**85% of Kids Take Personal Ownership of Core Values**

**81% of Kids Have Made Demonstrable Self Improvement**

"I realized how First Tee's overarching life lessons have made an invaluable impact on me on and off the course. Putting competitions encouraged perseverance, teamwork, and sportsmanship over winning. Whereas, group discussions fostered building positive relationships and interpersonal skills by respecting others."

- Kaidyn, 2022 Senior

# Corporate Partnerships

We believe that a meaningful, quality relationship between coach and participant is vital to our program. These positive relationships inspire young people to develop their individual potential. Through our partnership opportunities, we seek to develop a relationship that meets your company's individual needs and objectives.

Sponsorship of our Chapter aligns you with an established, national brand of consistently proven outcomes while simultaneously reaching children in our community. In addition to brand exposure, we offer opportunities for your staff to volunteer in various capacities. We are committed to learning your needs and providing value to your investment.
